SPEED LIMITS

In localities:	**up to 60 km/h**
Outside of localities:	**up to 90 km/h**
On motorways:	**according to the established speed limit signs**
Exceeding the speed limit by more than 10 km/h	**Fine 5 MCI 18, 460 tenge**
For exceeding the average speed limit* on motorways from 10 to 20 km/h	**Fine 10 MCI 36, 920 tenge**
For exceeding the average speed by more than 60 km/h	**Fine 40 MCI 157,000 tenge**

Ambulances, buses and some passenger cars are equipped with hidden video recording cameras for violations

*the average speed will be calculated automatically on straight road sections and outside the city

Technical Inspection in the Republic of Kazakhstan: 7-Year Rule

According to the legislation of the Republic of Kazakhstan, new passenger cars are exempt from technical inspection for the first 7 years, including the year of manufacture

If your car is less than 7 years old:
You do not need to pass an inspection
Provided that the car is used for personal purposes and is not involved in business activities, such as taxi driving

When to drive for the first time:
You will need to pass the first technical inspection when your car is 7 years old
Based on the year of manufacture listed in the vehicle's technical data sheet

Example:

2023
Buying a new car

2030
The first mandatory inspection

After the car is 7 years old, the maintenance schedule becomes regular

Law of the Republic of Kazakhstan on Road Traffic
Paragraph 1
Article 88

Vehicles registered in other countries and staying in the Republic of Kazakhstan for more than 90 calendar days are subject to mandatory technical inspection

Commitment:

If your car is more than 7 years old, it must undergo a technical inspection

Exemption:

Cars that are 7 years old or less (including the year of manufacture) **are not subject to mandatory technical inspection**

For vehicles older than 7 years that are registered in other countries and have been in Kazakhstan for more than 90 days, a diagnostic card (inspection report) **is a mandatory requirement for operation**

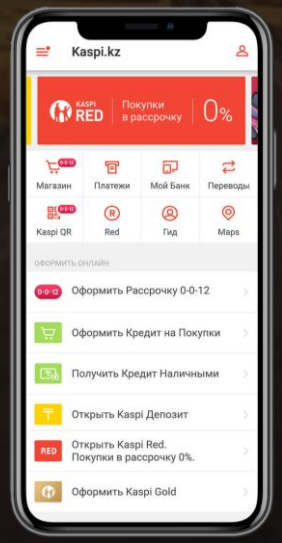

PENALTIES

Failure to provide an advantage to special vehicles	20 MCI*
In case of repeated violation	40 MCI or 20 hours of general work
Violation of railway regulations	5 MCI
Road accident at a railway crossing	Driver's license suspension for 9 months
Entering the oncoming traffic lane	30 MCI
Leaning out of the window of a moving car	10 MCI
Repeated traffic accidents during the year	40 MCI or disenfranchisement for 9 months
Road accident due to entering the oncoming lane	Driver's license suspension for 9 months

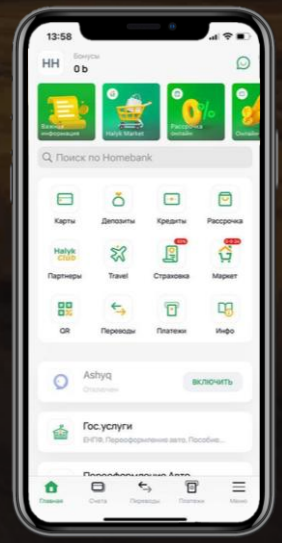

*MCI – monthly calculation index

HOW TO PAY A FINE

In specialized public service centers in large cities, you can also check for other fines in the database

KASPI Mobile App

HALYK Mobile App

INTERSECTING SOLID LINES

INFO FOR MOTORCYCLISTS

To travel on your motorcycle in the Republic of Kazakhstan, you must have:

1. **National passport** (foreigner's)
2. **Driver's license of category "A"**
3. **Technical certificate of transport**
4. **Transport insurance**

INFO FOR MOTORCYCLISTS

- **Carefully read the road signs and do not violate traffic rules**
- **If you are stopped by the Police, warn them that you are a foreign citizen and will be taking video recordings**
- **Wearing a helmet is mandatory**
- **Try to drive during daylight hours, as the roads are often crossed by grazing and wild animals**

INFO FOR MOTORCYCLISTS

Скачайте Help-лист по средней Азии

Think about your route before traveling

Make a list of what you need on the road (checklist)

Book seats at bike posts, hostels, and hotels

Check the distance between gas stations, fill up in advance

TO REACH THE GOAL FASTER, BE ABLE TO STOP IN TIME FOR REST

Enjoy the places where you are staying.
Traveling isn't just about riding a motorcycle

motoasia.org

REPRESENTATIVES OF THE CENTRAL ASIAN MOTORCYCLE RIDERS ASSOCIATION:

+7 705 184 64 38	Roman Shlenskikh
+7 747 627 52 40	Bakhtiyar Makhsutov
+7 705 725 65 25	Shagimullina Svetlana

AOPA QAZAQSTAN

Aircraft Owners and Pilots Association

Public organization of pilots and citizens-owners of aircraft in the Republic of Kazakhstan

Representatives: Alexander Sleptsov +7 775 959 59 75
Alexey Sivitsky +7 705 455 05 44

Goals and objectives:

- ✓ Popularization and introduction of new members and participants to the life of AON (General Aviation)
- ✓ Explanation of the caller ID's safety and public benefit, legal advice
- ✓ Interaction with government agencies
- ✓ Development of aviation tourism in the Republic of Kazakhstan:
  - light-engine aircraft
  - helicopters and gyroplanes
  - paragliders and trikes
  - balloons and balloons
  - skydiving

AOPA QAZAQSTAN

Useful tips that will make your trip pleasant and hassle-free

1. Route plan

Make a schedule of the entire trip with dates and times (preferably immediately in UTC time)

2. Identify landing aerodromes

Foreign aircraft may not land at aerodromes that do not provide English-language services

The aviation authorities issue permits based on the submitted route plan and documents for the aircraft

Foreign crews in Kazakhstan can use both Russian and English (English only at international airports)

3. Flight plan

To perform any flight in Kazakhstan	at least 60 minutes before the estimated departure time no more than 120 hours before the estimated departure time
Airships and guided balloons	at least 3 hours before the departure time

Kontakt Agency

Baikonur Cosmodrome, Barsakelmes Nature Reserve and the Aral Sea Region tours

Director: Elena Kogay **+7 705 578 26 61**

You can't visit the spaceport on your own.
Tours are organized only by an accredited tour operator

Deadline for submitting applications:

For citizens of Kazakhstan and Russia:
at least 10 days before the visit date

For foreign citizens:
at least 60 days before the visit date

Deadline for consideration of applications:

For citizens of Kazakhstan and Russia:
up to 5 days

For foreign citizens:
up to 60 days

Required documents:

- ❑ Copy of your passport
- ❑ Completed application form (provided by the tour operator)

VISITING NATURAL AREAS

Entrance to national parks and nature reserves

- **Only with the permission of the administration**
- **When buying an entrance ticket**

Some parks may have restrictions on the entry of cars or motorcycles to protect ecosystems

ROADS AND ECOSYSTEMS

Entry outside of designated roads is prohibited

- Driving on unauthorized routes can damage nature and is punishable by fines
- It is important not to leave garbage or light bonfires outside the permitted areas
- Fines for violating environmental regulations are high

ANIMALS AND VEGETATION

Prohibited from:

- **Catching animals**
- **Collecting plants**
- **Any interference with natural ecosystems**

These are protected areas with strict nature conservation rules

RULES FOR BORDER AREAS

A special permit is required to visit border areas. This applies to areas adjacent to the borders with Russia, China, Uzbekistan, Kyrgyzstan and Turkmenistan

For foreigners, visiting such territories without a permit can be considered a violation of the law, which can lead to fines and deportation

BORDER POSTS AND CHECKS

Some sections may have border posts.
Make sure you have everything you need:

1. **Documents for the vehicle**
2. **Passport**
3. **Visa** (if required)
4. **Permission to visit border areas**

BORDER POSTS AND CHECKS

1. **Minors must enter Kazakhstan with a foreign passport**
2. **Adults and adults must enter with a domestic or foreign passport**

EXPORT BAN

Tourists are prohibited from exporting certain items from Kazakhstan in order to protect the national heritage, the environment and comply with the law

1. **Before buying antiques or souvenirs, check the possibility of their export**
2. **Get appropriate permits for exported valuables**
3. **Read the customs control rules of Kazakhstan before traveling**

EXPORT BAN

Historical and cultural values:

- **Archaeological finds**
- **Rare books, manuscripts, and ancient documents**
- **Works of art** (icons, paintings, sculptures) **of cultural value**
- **Antiques and items belonging to the national heritage**

Export of such items is possible only with the appropriate documents and permits from the Ministry of Culture and Sports of Kazakhstan

EXPORT BAN

Rare and endangered plant and animal species
(including parts thereof):

- **Rare species of animals, birds, fish, plants listed in the Red Book of Kazakhstan**
- **Skins, horns, bones, stuffed animals and other items made from rare animals**

EXPORT BAN

Restricted or restricted items:

- **Weapons, ammunition and explosives** (without appropriate permits**)**
- **Narcotic and psychotropic substances**
- **Radioactive materials**

EXPORT BAN

Precious metals and stones:

- Raw Gems
- Gold, silver
- Other valuable materials in large quantities without proper documentation

EXPORT BAN

FLORA AND FAUNA:

- **Seeds and seedlings of plants without phytosanitary control**

MAINTENANCE SERVICES

Before traveling, check the technical condition of the car or motorcycle

Especially if you are planning trips to remote areas or national parks

PAYMENT

*Russian citizens can pay for toll roads using the Sberbank app

BANK CARDS

KASPI and HALYK Mobile App

GAS STATION AND FOOD

Gas stations and cafes may be less common on highways than in cities

We recommend that you do the following beforehand:

1. **Refuel**
2. **Buy water**
3. **Buy food**
4. **Fuel capacity per 500 km**

WATER

Hydration: **Avoid dehydration, especially in hot regions** (for example, Mangystau)

Drinking water: **Use bottled water for drinking**

www.drive2.ru/journal.com | drive2.ru/users/frantsouzov

PRE-TRIP PREPARATION

HEALTH INSURANCE: **Apply for international insurance that covers medical expenses in Kazakhstan. Check if it includes evacuation in case of emergencies**

FIRST AID KIT: **Pack your essential medications**

1. Pain and fever remedies (paracetamol, ketorol, ibuprofen)
2. Medications for stomach disorders
3. Antiseptics, bandages, plasters
4. Antihistamines (for allergies)

VACCINATION: **If you plan to go hiking, check if you need to update your vaccinations** (hepatitis A, tick-borne encephalitis, etc.)

IN CASE OF ILLNESS OR INJURY

EMERGENCY CARE: In case of an emergency, call an ambulance at 103. For English-speaking tourists, it is better to use services in large cities

PHARMACIES: It is available in every locality, but medicines can be presented under other names, so it is useful to know international names

HOSPITALS AND CLINICS: High-quality medical care is available in major cities, including private clinics

ACTIONS IN REMOTE AREAS

TRAVEL KIT: In remote regions, medical care/ may be restricted. Keep a first aid kit and a list of nearby hospitals handy

TICK VACCINATION: If you are traveling in wooded or mountainous areas, use repellents and check your skin regularly

EMERGENCY CONTACTS

112

Unified number of the rescue service
(operates throughout Kazakhstan)

1406

Helpline for general health advice

IMPORTANT PHONE NUMBERS

RENTAL HOUSING

Websites and apps

INTERNATIONAL

Airbnb

- Allows you to book apartments, houses and unique objects (yurts, glampings)
- Wide choice of housing in large cities (Almaty, Nur-Sultan) and tourist regions (Borovoe, Charyn)

Booking.com

- Includes hotels, guest houses and apartments
- It has a convenient filter for searching by price, location, and reviews

To find the best option and avoid fraud, be sure to check reviews before booking a home.

RENTAL HOUSING

Websites and apps INTERNATIONAL

Agoda

- Popular with Asian tourists
- Suitable for booking hotels and apartments in major cities

Expedia

- It is mainly used for hotels
- Sometimes there are discounts when booking packages (flight + accommodation)

To find the best option and avoid fraud, be sure to check reviews before booking a home.

RENTAL HOUSING

Websites and apps

KAZAKHSTAN COMPANIES

Krisha.kz

- The main website for renting apartments and houses in Kazakhstan
- IT is used by both tourists and locals

OLX.kz

- A platform for short-and long-term rentals
- You can find offers directly from homeowners

To find the best option and avoid fraud, be sure to check reviews before booking a home.

RENTAL HOUSING

Websites and apps

KAZAKHSTAN COMPANIES

Apartamenty.kz

- Daily rental of housing
- Offers cover both major cities and tourist areas

Mybnb.kz

- Kazakhstan's equivalent of Airbnb with offers from local owners

Hotel.kz

- Service for finding hotels, apartments and guest houses in Kazakhstan

To find the best option and avoid fraud, be sure to check reviews before booking a home.

RENTAL HOUSING

Instagram

- Many homeowners post their offers through local pages or hashtags, such as #арендаквартир

Telegram channels

- In some cities, there are chat rooms and groups that place ads for rental housing

To find the best option and avoid fraud, be sure to check reviews before booking a home.

DRIVE FORUM is a festival that brings together travelers, tourism experts, entrepreneurs and everyone who is passionate about the development of tourism in Kazakhstan

- ✓ It is a platform for exchanging experience, presenting new projects, discussing current trends and shaping the country's tourism future
- ✓ The festival hosts discussions, master classes, presentations of unique routes, as well as meetings with partners and like-minded people

DRIVE FORUM doesn't just inspire you to travel — it helps you create new opportunities for developing domestic and inbound tourism

Kazakhstan International Exhibition "Tourism and Travel"

kitf.kz

KEY IDEAS AND ADVANTAGES:

- ✓ The largest tourism exhibition in Central Asia
- ✓ A platform for promoting Kazakhstan as a tourism center
- ✓ An opportunity to get acquainted with new routes and technologies
- ✓ International participation: countries of the near and far abroad
- ✓ Inspiration for travel – from classics to author's tours

OBJECTIVES OF THE EXHIBITION:

- ✓ Development of international cooperation
- ✓ Promotion of Kazakhstan's tourism potential
- ✓ Strengthening business ties between the tourism industry and the state
- ✓ Growth of domestic and inbound tourism
- ✓ Increasing awareness of tourism within the country and abroad
